The Trusted Solution
for a Beautiful Roof.

BEAUTY You Can See. QUALITY You Can Feel.

NOW THAT IT'S TIME TO REPLACE YOUR ROOF, WHY TAKE ANYTHING FOR GRANTED? We never do. Since 1951, IKO has been protecting American homes and families just like yours against the elements.

Whether it's elegant and sophisticated or laid-back and casual, or somewhere in-between, **IKO Cambridge® Architectural shingles** come in a wide range of stunning color blends to express your personality, reflect your taste and potentially boost your home's resale value too.

Their modern, laminated two-piece design provides the depth, dimension and texture of genuine wood shakes for an upscale appearance without the upscale price tag. Now unleash your exterior designer and dress up your home with an exciting new look, for less than you might expect.

PERFORMANCE You Can Trust.

- 1 LAMINATE ADHESIVE.** Five strips of our tough, construction-grade adhesive are used to laminate the shim to the tooth.
- 2 BUILT-IN ALGAE RESISTANCE.** Special colorfast granules embedded in the shingles' surface help inhibit the growth of blue-green algae that can cause unattractive black stains, streaks and discoloration.
- 3 CORE STRENGTH.** Our resilient fiberglass mat is coated top and bottom with weathering asphalt, then surfaced with colored granules. It's heavy-duty for exceptional durability and structural integrity.
- 4 EXCEPTIONAL BONDING.** IKO's FastLock® sealant on the shingles' bottom edge gets extra-tacky when activated by the sun's heat. This creates a strong bond to help ensure maximum protection against wind uplift, blow-off and water penetration.

IMPORTANT! To ensure complete satisfaction, please view several full-size shingles and an actual roof installation prior to final color selection as the shingle swatches and photography shown online, in our brochures and in our **ROOFViewer®** tool may not accurately reflect shingle color and do not fully represent the entire color blend range, nor the impact of sunlight.

Note: Product and color availability may vary by region. Products with Miami Dade NOA, FBC product approval and Texas Department of Insurance listings are available. Please contact IKO for details. ¹See Limited Warranty at IKO.com for complete terms, conditions, restrictions and application requirements. Shingles must be applied in accordance with application instructions and local building code requirements. ²High-wind application is required. ³"Lifetime" means the period of time commencing on the date of the completion of the installation of the shingles on the building, and continuing so long as the owner owns the building on which the shingles were installed. ⁴All values shown are approximate. ⁵Products are developed with reference to these standards.
